

## **Eagle Creek Outfitters Sailing Course**

The following sailing course is provided by ECO's Sailing Instructor, Nate Miller. During this 3-4 hour long course, you will go through the knowledge and practical skills needed to responsibly captain a 3-4 person 14'-16' day sailor. The first section includes basic knowledge of the boat, weather and navigation, and terminology. The second section is more hands on. This is when the participant(s) will be able to take the knowledge they just learned, and set sail on the open water.
